### **OMG Roofing Products Hires Tom Van Huck as UK Territory Manager**

**AGAWAM, Mass., March 23, 2021** – OMG Roofing Products has hired Tom Van Huck as UK Territory Manager.

In his new role, Tom is responsible for all sales activity in the UK including Ireland, Scotland, and Wales. In addition to managing the day-to-day regional activities, Tom is also responsible for developing monthly sales plans, providing on-going support for distribution partners and roofing contractors, achieving revenue goals, developing new opportunities, building strong customer relationships, and monitoring competitive activities and market conditions. He reports to the Europe Market Manager, Lennard Spirig.

Tom brings a wealth of construction and roofing-related experience to OMG Roofing Products. For several years he was an area sales and specifications manager for Kingspan Insulated Panels, where he worked closely with both roofing specifiers and roofing contractors. Most recently he was business development manager for Norseal Limited, a leader in door fire

seals, acoustic seals and fire stopping products. He began his career in production engineering and moved into sales and customer service with British Steel.

Tom holds degree in Professional Management and an MBA from The Open University. He can be reached at +44 786 166 1989 or by email at [THuck@omginc.com](mailto:THuck@omginc.com).

Headquartered in Agawam, Mass., OMG Roofing Products is a leading manufacturer of commercial roofing products including specialty fasteners, adhesives, drains, pipe supports as well as advanced productivity tools such as RhinoBond. The company's focus is delivering products and services that improve contractor productivity and enhance roof system performance. For additional information, please contact OMG Roofing Products at 413.789.0252 or visit [OMGRoofing.com](http://OMGRoofing.com).
