

THE LOWEST INSTALLED COST METHOD FOR APPLYING OLYBOND500!

**Patented Applicator for Dispensing
 OMG OlyBond500® Adhesive**

The OMG PaceCart 3 is highly durable and designed with roofing contractors in mind. It's easy to operate, maintain and store, and capable of dispensing enough OlyBond500 to apply up to 60 squares (557 m²) of insulation per hour. PaceCart 3 provides the lowest installed cost method for applying OlyBond500!

FEATURES

IMPROVED MANIFOLD

Grease free, simplifying start-up and shut down procedures for rooftop time savings.

ROBUST PUMPS

Designed for use with high viscosity liquids, and minimize maintenance requirements for increased up-time and productivity.

COLOR CODED TRAYS

Minimize the chance of cross contaminating Part 1 and Part 2 dispensing lines.

VOLT METER

An easy to read volt meter lets contractors know if the incoming power is insufficient to operate the PaceCart 3.

BENEFITS

- Each PaceCart 3 is generator ready with a built in shelf designed to hold a portable generator (sold separately). On larger production projects this provides contractors with improved and cord-free mobility, eliminating a potential trip hazard.
- Patented dispensing system and Bag-in-Box technology are designed to work together to maximize production.
- Fastest low-pressure application method on the market, provides the lowest installed cost method of application in the industry.
- Includes 30-ft. (9 m) hose for maximum reach and maneuverability on the roof.
- Easy to operate and maintain.

THE MOST TRUSTED NAME IN INSULATION ATTACHMENT ADHESIVE!

OlyBond® Insulation Adhesives are easy-to-use, hassle-free and designed to get you off the roof and onto the next job quickly. OlyBond is a fast-acting, two-component, low-rise polyurethane foam adhesive designed to adhere most insulation types to a wide selection of common roof decks and materials. OlyBond can be used in both new and re-roofing applications, including jobs that require multiple insulation layers. No matter what size job you have, large or small, there's an OlyBond adhesive that's right for your next project.

ORDERING INFORMATION

	CAT. NO.	DESCRIPTION	WEIGHT LBS (KG)	PACKAGING
